HUNTINGTON
HIGH SCHOOL
Huntington, Indiana

This is Huntington High School...

As each senior left Huntington High this year he took with him a permanent reminder of his high school days — his class ring. So through this ring with the HHS crest mounted on it, we have attempted to record for you the story of the year and a few memories of the many contributions our school has made to each of us who have studied within her walls.

To explain the crest: the torch symbolizes the knowledge HHS has so faithfully taught us. The triangle stands for strength and rigidity of body encouraged through the athletic program. Embodying the people who are the school is the building. The ring itself represents the unceasing friendships cultivated in supervised activities.

Thus, as you examine your Modulus for 1962, we hope that it will not only provide entertainment now, but that it will awaken dormant memories in future years.

Miss Florence Weiford

We students express our thanks and appreciation for your many years of dedicated service to Huntington High School.

the *Things* WE do

Renting books is o tiresome tosk.

Greot strength is needed here.

These Things Make Up the School Year . . .

We like the variety included.

The things we do from September to the last day of school in May are as varied as they are numerous. We rent books, study, compete on the playing field, share our ideas, and go to parties. What is more, we relax at the Swing Inn and in the Rec. Room, dress up for formal dances, and receive rewards for our efforts and achievements. Then in May, to climax what seems an already perfect year, those of us who are seniors graduate into the adult world.

Lunchtime is a welcome relief from the books.

That play must have been a surprise!

On November 4, 1961, at the Masonic Temple the M.M.S. of the Sunshine Society held its traditional fall dance with Miss Kline as sponsor and Sue Slater as chairman.

Huge grapes, flower garlands, and the Grecian backdrop set the scene for "Vintage '61" as 136 couples danced to music by John Craig and his Melody Men.

Seniors Complete Four Years of Fun and Study

"A little time for laughter . . ."—Morsten

Looking back over the past four years at Huntington High, the seniors remember many impressive experiences. Trading class rings, selling goodies junior year, choosing class colors and motto, buying a class gift, dancing at the prom, and receiving diplomas are the experiences the seniors remember best. It has been experiences such as these that have made life at Huntington High School exciting as well as educational.

"Riddle Me Riches" Reveals Acting Talents

Capacity crowd testifies to our success

The hilarious results of winning a radio program's contest made this year's Senior Play, "Riddle Me Riches", by Anne Ferring Weatherly, a "standing room only" success.

Chuck submits his name to a radio quiz program, "Riddle Me Riches"; and by successfully encouraging his father, Thomas Taylor, to solve the riddle, he answers it correctly. Now the fun begins, for Chuck's mother, Esther, wins a maid, Hilda Sorenson, for an entire year. Also, Marla Kay, a beautiful movie star, comes to visit the family. When Chuck's sister, Patty, loses her boy friend, Bob, and Thomas Taylor his job, confusion increases the comedy. All these situations combined to make the 1962 Senior Play a financial success.

Directing the cast were Mrs. Bea Patterson, Mr. Richard Goshorn, and Mr. Charles Kaufman.

Administration Builds

Student Body of Huntington High School

Dear Students:

On every personnel questionnaire there appears a common ward, aptitude. This has reference to attitude toward work, people, superiors, parents, and our American way of life. Fortunately, the great majority of our student body have acquired proper attitudes; but unfortunately, there are a few who fall short. I feel that we should all take a good look at our attitudes as they are so vital to us. Our contribution to society and our future happiness are so dependent upon proper attitudes. The seniors who leave us this year will find that the going will be much smoother if they possess the proper attitude.

I would like to congratulate the teachers and students on a fine school year. I am hoping we can make next year even better.

Sincerely yours,

Phil N. Eskew

Student Body of Huntington High School

Dear Students:

We are living in a period which is confronted with a struggle of ideas in regard to people and governments. If we are to succeed in the great struggle of ideas that is underway, we must first of all know what we believe. We must also become clear in our minds as to what it is that we want to preserve. Individuals have a great obligation to educate themselves to meet the responsibilities of citizenship.

I wish to congratulate the graduating seniors for their achievements. We expect our seniors to take their place in society and make their contributions to its success.

Yours very truly,

Harold S. Johnson

English Stresses Effective Communication

Mrs. Juanita Young
English, Journalism

Huntington High's English department is fortunate to have a well-planned program; first semester grammar and second semester literature make up the year. Vocabulary study is stressed throughout. A special speech course is combined with the sophomore English classes. In the junior year students may choose general English, or those planning to go to college may take a special course in composition and American Literature. Senior composition and English Literature are also offered as elective subjects for college-bound pupils. Upon completion of the four year English program, students are well prepared for the future.

The HHS mathematics department lived up to its fine reputation again this year. Although only one year of mathematics is required, five advanced courses are offered to students who want them. These courses are plane and solid geometry, 3-1 Algebra, trigonometry, and college algebra.

A special slide rule class was offered to juniors, seniors and chemistry students. Ninety-five students and seven teachers donated half of their lunch hour to participate in the course. This year's course, extending over a period of several weeks, was more extensive than those offered in previous years; and for the first time, credit was given for the course.

Art Improves Our Creative Skills

Art is offered to students as a four-year major. During the first three years, basic design and third dimensionol work are taught. The advanced art classes work on an individual basis under the supervision of Miss Verna Oyer, head of the art department. Work in ceramics, painting, sculpture, mobiles, and posters constitutes most of the courses of study.

Physical Education Builds Strong Bodies

Students enrolled in physical education classes have completed a busy year. Girls participated in activities such as bowling, archery, volleyball, tumbling, basketball, deck tennis, softball, tennis, and badminton. The boys enjoyed soccer, flag football, wrestling, basketball, indoor track, indoor baseball, dodgeball, and golf. Swimming classes were available for both boys and girls.

In addition to biology, chemistry, and physics, the department offers semester courses of advonced biology and advanced chemistry to honor students. Max Fordyce joined veteron staff members Robert Diffenbaugh, Glen Hummer, and Richard Goshorn.

New equipment, such as microscopes, dissecting sets, steam sterilizers, ear and eye models, a thermostatically controlled oven and more preserved specimens, was availoble in the biology department. Through these a better chance for practical application was made possible.

Emily and Mrs. Young make room for another picture in the dummy.

Each person is glad to receive his copy of the yearbook, but perhaps he does not realize the work required to produce it.

Mrs. Juanita Young, faculty advisor, was always at hand to help staff members solve their many difficulties. She assisted Emily Carlson, editor-in-chief, in planning the pictures, directing the staff, and working to meet deadlines.

Carol Kriegbaum, copy editor, was responsible for handing out copy assignments to copy writers. John Repp, sports editor, relieved parts of Carol's responsibilities by keeping a record of sports activities. He also proofed the sports copy as it came in.

The business manager, Barbara Eskew, handled efficiently the bookkeeping department. Pam Perrigo and Sue Slater, co-subscription managers, also kept books. They recorded the number of yearbooks sold or subscribed to and the amount of money due for each.

Ad solicitors, directed by managers Ellen Campbell and Doug LeMaster, collected ads to finance this book.

Allan Miller, assisted by Lee Trainer, took, developed and printed most of our many pictures.

Thus, all of these people worked toward the common goal of completing the Modulus on time. They spent nine months taking pictures, writing copy, selling subscriptions, soliciting ads and meeting deadlines. Now at last they can present the Modulus for 1962.

Since the Huntington branch of the American Field Service was installed in 1951, many fine foreign students have visited our school and community. Khosraw Fatemi from Iran was no exception. He certainly represented his country well, for he won the admiration of everyone he met. Khosrow gave many speeches to different civic organizations, made even more friends and entertained these friends with his wonderful sense of humor. The Clifford Terry family of 310 Randolph Street adopted "Khos" for the 1961-1962 school year.

Last summer Huntington did not send a student abroad, but the school hopes to do so in the near future. Also, HHS students enjoyed International Day when students from many lands visited the school.

The chairman of the AFS Committee, Miss Ruth Luther, was assisted by Secretary, Rita Killen, and Treasurer, Barbara MacDonald. Representatives of civic clubs and presidents of all four classes were also included as members of the committee.

GAA Promotes Good Sportsmanship

The Girl's Athletic Association was a huge success this year because of the fine leadership of Miss Ruth Luther. Any high school girl earning 100 points in physical education classes may become a member. This year, seven girls who earned 350 points were awarded plaques, and twelve earning 250 points received "H's". A highlight of the year was the trip to Washington and New York City taken by twelve girls and Miss Luther. Officers were Kathleen Ade, president; Nancy Ware, vice-president; Barbara MacDonald, secretary; and Marianne Tipmore, treasurer.

Highlighting the year were the fall party at Sandy Hamilton's home, the Christmas party at the home of Judy Thompson, and the spring tea given at the Public Service Building in honor of the club members' mothers.

Student Council Solves School Problems

The main purpose of the Student Council is to solve certain problems which arise ot Huntington High School. One of the problems faced by the council this year was the need for a place to study during the noon hour. As a solution Student Council opened room 202 and provided monitors to encourage good study conditions.

Mr. Kaufman and Mr. Goshorn, faculty advisors; and Mr. Johnsan, administrative sponsor, guided the group. Officers for the year were Dick Coyle, president; Terry Harrell, vice-president; Carol Kriegbaum, secretary; and Carolyn Rogers, treasurer.

Biology Club Furthers Scientific Knowledge

The Huntington High School Biology Club functioned well this year under the sponsorship of Mr. Glen Hummer and Mr. Richard Goshorn. The officers for the year were John Repp, president; Gary Dilley, vice-president; Sue Slater, secretary; and Kathleen Ade, treasurer.

The year's activities included lectures and demonstrations in such fields as snakes, Indiana lakes, and summer scholarship programs. The year was completed with the annual field trip. This year the club visited Cincinnati, Ohio, where members toured the Proctor and Gamble Company and the Cincinnati Zoo.

Heading Bialogy Club are Kathleen Ade, Sue Slater, John Repp, and Gary Dilley.

Whisper Staff Records Year's Activities

For the first time in many years, HHS had a printed newspaper in addition to its section in the HERALD PRESS. Barbara Eskew, WHISPER editor, studied at the High School Journalism Institute in Bloomington to learn ways of improving this publication.

Some staff members gathered news and contributed articles; others proofed and typed copy. A few worked with finances and photography. Supervising the staff was Mrs. Juanita Young.

The Camera Club was made up of thirteen members this year. The club met every other Tuesday in room 302 and functioned well with the aid of Mrs. Juanita Young, advisor. Officers were Allan Miller, president; Lee Trainer, vice-president; and Carol Pooletto, secretary-treasurer. The members using equipment financed by the club treasury, photographed school activities upon request and assisted each other in learning new and better camera techniques.

This year the station was operated by eighteen engineers and fourteen announcers. Senior pins were presented to Terry Harrell, senior sports announcer, and to engineers Dick Warner, Douglas LeMaster and Bob Slater.

Masque and Gavel was again open to any upperclassman wishing to participate in speech activities. Among these activities are speech contests, plays, religious programs and morning announcements. In order ta maintain and sustain membership in Masque and Gavel, one is required to earn points given in the different programs.

The officers for 1961-1962 were Sue Slater, president; Hope Helvie, vice-president in charge of religious programs; Carol Kriegbaum, vice-president in charge of programs; and Barbara MacDonald, secretary-treasurer.

As in the past several years, Mrs. Lois McClure served as the sponsor of this worth-while organization.

Cheering Block Spurs Vikings on to Victory

One hundred and fifty-four loudly cheering girls, decked in their bright red and black shirts, led the 1962 Viking basketball squad on to mony victories during the HHS hardwood season. The Cheering Block, composed of freshman, sophomore, and senior girls, added color, enthusiasm, and loyal bocking to each home basketball game and to some out-of-town contests.

The Block was very capably led by Miss Carolyn Reynolds and the Varsity Cheerleaders—Penny Gloss, Mary Baker, Connie Shafer and Pat Altman. Weekly Wednesday afternoon meetings at the Community Gymnasium were used to practice new yells, songs, and spelling formations. The hard work of all who participated in the 1962 Cheering Block will long be remembered and appreciated by HHS basketball fans and players.

Choir Performs Admirably

This year the choir represented the utmost in musical entertainment and enjoyment for all who heard its performances. Under the direction of Cloyde Slater, the sixty members presented many programs of several types of music: spiritual, secular and jazz. Selections for each concert were adapted to the varied musical tastes of the different audiences.

In previous years Mr. Slater entered only the girl's sextette in the regional vocal contest at Ft. Wayne. This year, however, Huntington High was represented by mixed groups and soloists. Of these entries, two went to the state contest. Richard Landis received a rating of excellent for his solo and joined Nancy Rodda, Jo Burkholder, Jane West, and Richard Reahm to receive a superior award for their madrigal.

Band Entertains Enthusiastic Audiences

The Huntington High School Band, under the direction of Delmar Weesner and Norris Huston, completed another successful year. During the football season the band presented a number of interesting and entertaining shows, several of which featured the Vikettes — Leslie Brock, Emajane Edmonds, Karen Frederick, Patti Goodrich, Vicki Kromer, and Shirley Shrock. This year the drum majors were Don Draper and Tim Hoke.

Several new instruments were purchased for the band this year. Also, a new feature was added to the instrumental curriculum of the music department — a dance band. Professional dance bands consist of five saxophones, five trumpets, five trombones, piano, drums, and string bass. Because of a lack of instrumentation, the dance band consisted of only four trumpets, one trombone, five saxophones, a sousaphone, piano and drums.

The concert band participated in the Class A division of the state band contest at New Haven. Also, the band presented its annual spring concert which was well received. Thus ended another year of enjoyment and outstanding achievement.

Sunshine Society Spreads Cheer Throughout Year

SUNSHINE OFFICERS were Patty Altman, vice-president; Alice McClure, corresponding secretary; June PeGan, president; Patty Essig, recording secretary; and Nancy Radda, treasurer.

Miss Alice Kline, Sunshine Sponsor since 1953.

The Sunshine Society sponsors many activities including the Harvest and Sweetheort Dances, Peanut Week, Thanksgiving and Holy Week services, and the Senior Sunshine Breakfast. The M.M.S., headed by Sue Slater, sponsors the dances. Big and Little Sisters help new girls become acquainted. The Gales and Mary White Guild perform beneficial services.

Sunshine officers were Mary June Pegan, president; Pat Altman, vice-president; Nancy Rodda, treosurer; Pat Essig, recording secretary; and Alice McClure, corresponding secretary. The sponsors were Mrs. Geroldine Miller and Miss Joan Humbarger, replacing former sponsor, Miss Alice Kline, who passed away Januory 18, 1962. She had served Sunshine well for 42 years.

Left to right, First Row. Carol Paoletto, Janet Tucker, Sharon Watson, Karen Frederick, Mary Ware. *Second Row:* Emily Carlson, Mary Cornes, Zoeann Waldron, Camile Kaylor, Bill Goshorn.

The French Club, newly organized last fall, spoke only French during their monthly club meetings. Directed by Mrs. Hillegas, the club's main objective was to gain proficiency in French pronunciation and conversation. This was accomplished through participation in short plays, programs and games.

Officers for this year were Carol Paoletto, president; Bill Goshorn, vice-president; Mary Ware, secretary; and Emily Carlson, treasurer.

The Bryn Tarw Trio — piano, drums and trumpet — was composed of Ken Kaylor, Charles Dinkler and Jerry Lewis. All excellent musicians, the trio spent long hours and much money to make their combo a success. Some of their appearances included a record hop, noon auditorium shows and spring parties. These efforts were rewarded with a warm response from both students and citizens of the community.

We Now Prepare to Meet Future Challenges

Ellen Campbell, daughter of Mr. and Mrs. Frank Campbell, was selected as valedictorian of the class of 1962.

Ellen majored in English, business, and science. She was a member of both the Junior and Senior Honor Societies and K.B.F. She won a state scholarship to Purdue University and one from the American Baptist convention. Last summer she attended the summer science training program at Ohio University for five weeks.

She was active in the cheering block, GAA, Student Council, Booster Club, and Sunshine Society. She attended Girls' State in her junior year and was co-advertising manager of the Modulus.

Ellen plans to enter Purdue University and study pharmacy.

Emily Carlson, salutatorian of the class of 1962, is the daughter of Dr. and Mrs. C. E. Carlson.

Emily majored in English, foreign language, social studies, and music. She was elected to the Junior and Senior Honor Societies and K.B.F. She received a scholarship from Huntington College. In the summer of 1960, she attended a High School Journalism Institute at Indiana University; and she took part in an English contest there.

Active in school affairs, she was treasurer of Le Cercle Francais, a member of the Swing Chair, Sextette, junior prophecy committee, Booster Club, Student Council, and Sunshine Society. She served as copy editor of the Whisper and editor-in-chief of the Modulus.

Emily plans to attend Huntington College to prepare for secondary teaching.

Coaches and Team Glory in Spectacular Season

According to some then reliable sources, this was to be a building year for Huntington's Viking. After the first game, in which the Sea Rovers lost 20-7, many people felt the same way. But as it turned out, first year Viking coach Jerry Young gave Huntington its third best football season ever, consisting of nine wins and one loss.

Along with their winning nine games, the Vikes should be congratulated for winning the CIC crown. This year the Norsemen secured seven positions on the first three CIC teams. Senior Jim Schaefer along with sophomore Mike Shumaker made the third team. A first year man with Huntington, Dick Reahm was named to the second team. Juniors Ray Sweet and Van Bailey with seniors Dick Landrum and Dave Reeves were on the first team. Dick Landrum was elected to the All-State Team, also.

This is a season that will long be remembered by the Viking fans as well as by the Vikes themselves. A season like this one could not have been possible without superior coaching, teamwork, and desire. Huntington had all three.

Leading cheers are Mary Baker, Penny Glass, Cannie Shafer, and Pat Altman.

Freshmen Gain Skill and Prowess

This year's football squad followed the varsity's example and compiled a record of eight wins and only one defeat. These boys demonstrated real Viking spirit and aggressiveness, and more fine play is expected from the in the future.

Freshman caaches were Mr. Paul Buzzard and Mr. Carl Seeley.

Basketball Ushers In

Huntington's Vikings, under second year mentor Robert Straight, swept to a successful campaign. The Vikes started slowly but came on with a rush to close out with a highly respectable record.

Victories for the Vikes this year came over such outstanding powers as Logansport, Bluffton and Peru. Stellar performances were handed in by almost every Norseman during the season.

A young ballclub, the Vikings should be able to do even better next year. A preview of their success was presented in tournament play.

Coach Straight wonders if we can da it again.

The Vikings entered the Huntington Sectional with the impressive record of 14 wins and 6 losses. The Vikings first breezed by Lancaster by a score of 75 to 58. In the second game the Vikes again romped over their opponents, Union, 75 to 46. The third game turned out to be a much easier victory than expected. HHS swamped Roanoke 71 to 47. During the final game, in the last period, Mr. Straight's coaching and his lucky yellow shirt gave the Norsemen a close 62-58 decision over Huntington Catholic. Bob Minniear finished as top scorer of the sectional with 86 points, the third highest total in the history of sectional play.

Hey fellas! Don't fight — you're on the same side.

Angel Boy Minniear is singing psalms?

Scrappy Vikes Take Regional

With an inspired team, the best coach, one yellow shirt, and a sectional championship, the mighty Vikings went to Marion for the regional. In the first game the Vikes sped past Pennville, 61 to 39. But during the second game something almost slipped. At the end of the first period Huntington was trailing 17 to 7. Then came the second quarter, and the points rolled in. With an untouchable offence and an impassable defence, the Vikes totaled 29 points in the second quarter. Taking it from there, the Norsemen won, 69 to 58.

Fans rejoice after another Viking victory.

Scyldings and Freshmen Show Promise

The season began rather inauspiciously for this year's Scylding squad when they lost their first four games. In time, however, the team began to pick up enough momentum to overcome this deficit. The year-end tally showed that they had earned the creditable record of 10 wins and 8 losses.

The Freshman basketball team brought more athletic glories to HHS as they compiled their season record of 10 wins and only 3 losses. The team, coached by Mr. Naab and Mr. Poer, showed fine spirit, and we expect them to provide us with many exciting moments during their high school careers.

Crown Queen Connie

The Viking track team under Coach Jerry Young posted its best season in school history. It placed third in the CIC meet; won the sectional; sent two relay teams and Van Bailey, Jerry Dimond, Dave Reeves, and Paul Rider to the regional; and advanced Rider to the state.

Van Bailey, CIC's most valuable trackster, ran a 50.7 quarter; Phil Bieghler vaulted 11-6 1/2; Dave Reeves shot putted 51-1 3/4; and Rider ran a 4:29.2 mile to set or tie four new school records.

On to a Viking victory.

Baseball Team Can Hold Their Own

Again, as far the past two years, the Vikings have been plagued with bad weather and bad luck. Weather postponed many of their games, and they finished with a 1 and 9 season. The lone win came when the Vikes upset Bluffton 13-5.

This below-average season was not a clear indication of the potentiality of the Viking squad. Many of the games were decided by only one or two runs. Another hindrance was their lack of experience.

However, with an underclassmen-studded line-up, the Vikes should be able to hold their own in the future.

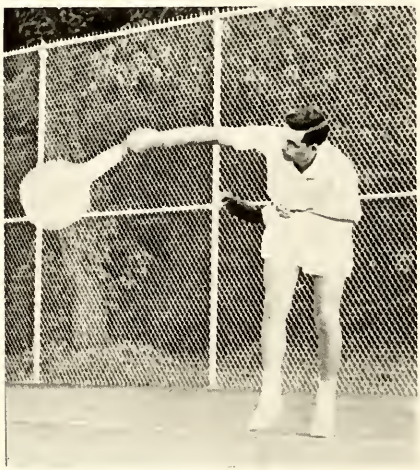
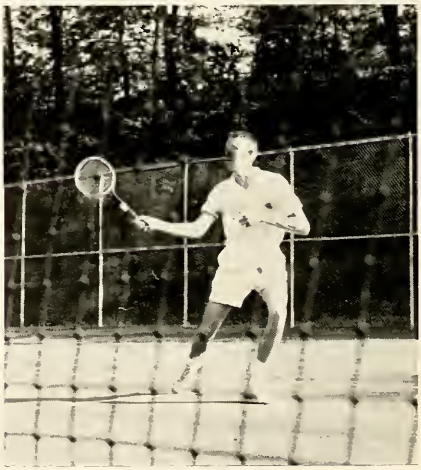
Tennis Team Dishes Out Tough Opposition

Coach Charles Kaufman's tennis team had its best season on record in 1962. In addition to tying for the conference championship, they finished the season with a 9 and 4 record. The team's two graduating seniors, Don Draper and Bob Ross, carried much of the load. Don won the conference singles championship, and Bob, as number two man, was an important team member. Returning to defend the championship will be Roger Ross, Jerome Herrberg, Mike Seashols, Bill Goshorn, Dave Kroot, Doug Hammel, and Wayne Friar.

Don gets off a swift return.



Bob Ross prepares for action.



Girls Display Athletic Ability

The girls' athletic department, under the direction of Miss Ruth Luther, participated in intramural as well as interscholastic competition. Last fall in intramural competition 30-50 girls competed in each of the following: tennis, archery, softball, volleyball, deck tennis, table tennis and bowling. Swimming was also avoiloble ot the YMCA. Interscholastic competition was very successful with HHS winning 6 out of 9 tennis games, all softball games and all archery meets. In conclusion, the past year provided both good sportsmanship and healthful recreation.
